**UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF WASHINGTON**

Case No. 18-03197-FPC

In re:

GIGA WATT INC.,

Debtor

**OBJECTION TO MOTION (I)  
APPROVING THE SALE OF MOSES  
LAKE EQUIPMENT AND RELATED  
RELIEF, (II) APPROVING BID  
PROCEDURES (III) SHORTENING  
TIME TO OBJECT**

**MOTION**

**COMES NOW** creditors and mining machine owners Jun Dam et al. (“Respondents”), in propria persona, collectively move to request the Court to deny motions: (I) APPROVING THE SALE OF MOSES LAKE EQUIPMENT AND RELATED RELIEF, (II) APPROVING BID PROCEDURES (III) SHORTENING TIME TO OBJECT

**ARGUMENT**

I. Under FRB 2002 and 6004, 21 days notice is required for the sale of property not used in the ordinary course of business. Respondents have either only recently received official notice or have not received official notice at all. The US postal service has been delayed due to COVID19. Respondents object to the shortened time and request continuation of hearing until the proper 21 days notice is given to Respondents and other creditors and owners of mining equipment so each person can receive adequate protection.

1 II. The Trustee and counsel have continued to commit acts of theft and conversion of personal  
2 property against Respondents and mining equipment owners who have invoices for their  
3 purchases listed on each of their proof of claims that have been filed with the court. Respondents  
4 object to the sale of mining equipment and request adequate protection under 11 U.S. Code  
5 363(e) and reasonable compensation for the sale of any mining equipment. In fact, the proceeds  
6 of the TNT sale were put aside upon determination of ownership.

7  
8 III. The estimated proceeds for the estate is up to \$700,000 or more based on comparable sales on  
9 Ebay and the equipment sale would be a detriment to the estate if sold for \$42,000 and the  
10 prorated amounts that each individual miner owner would be reimbursed would be de minimus if  
11 sold for that amount.

12  
13 **CONCLUSION**

14  
15 **WHEREFORE**, upon facts and considerations of law the Court should enter an order to deny  
16 motions until proper notice is given, a proper bidding process occurs and miner owners are given  
17 adequate protection.
